

Glamping Information

A&B

We're hoping to organise glamping for our wedding weekend! With enough interest, we'll be able to set-up a glamping village on the property, so you can stay close to all the fun. We'll need at least 10 tents to make this happen, so if you're keen let us know in your RSVP!

The glamping tents include:

- 5m bell tents
- Comfortable off-the-ground beds (queen and/or singles)
- Duvets, cotton sheets, quality pillows, and decorative cushions
- Towels and an extra throw or blanket
- Rugs inside the tent and a front mat
- Side tables
- A canvas chair
- Outdoor fairy lights and an LED lantern

Glamping Options:

- 4-Person Tent: \$225 per person for the weekend. Configuration will either be 4 singles OR 1 queen + 2 singles
- 2-Person Tent: \$265 per person for the weekend. Configuration will either be 2 singles OR 1 queen

Please note that glamping is booked for the entire weekend (Friday to Sunday). Single-night stays aren't available, so this option is ideal for those wanting to stay the whole weekend.
